Notification Date: January 19, 2022

Effective Date: February 28, 2022

Zebra List Price Change Due to Cost Increases

Our industry is facing unprecedented cost increases in cargo rates and raw materials. To partially offset these cost increases, Zebra will increase list prices on the following products:

- Mobile Computers: All TC2, TC5, TC7, TC8, RS and WT product families will increase by 6%
- Barcode Scanners: All general-purpose scanners, including MP7, and Kiosk and will increase by 6%.
 - All Industrial Scanners will increase by 4%
- All RFID Scanners, Readers and Antennas will increase by 6%
- Barcode Printers: All ZD4, ZT4, ZE5, RFID Printers, and all parts, printheads and batteries increase by 4%
- Barcode Supplies will increase by the following amounts:
 - RFID media 7%
 - Barcode ribbons 4%
 - ZipShip synthetics and wristbands 6%
 - ZipShip paper products 8%

There are no increases on any of the following associated with this change: Mobile Printers including Mobile RFID; accessories in any category; tablets; card (printers, supplies, aftermarket or accessories); or services. There are no list price changes to any product or service not listed in this notification.
